

Transactional Quote Confirmation

We highly recommend you use the provided YRC Freight Bill of Lading (BOL).

If you use your own BOL, you must include "Quote ID 33043116" and "Pro #678-305118-0" on the BOL.

TERMS & CONDITIONS

Customer must include the Quote ID number and shipment dimensions on the bill of lading. By placing the Quote ID number on the Bill of Lading, the customer is accepting the terms of this Transactional Quote Offer. As the payer, you agree you are authorized to bind all parties of the shipment to the outlined Terms & Conditions, including limits of liability discussed below. Any additional charges will be invoiced to the payer listed above. YRC Freight, or its authorized agents, reserves the right to reject a service request when the requested service cannot be reasonably performed, or is unavailable for the specified origin/destination. Stated rates and charges assume pickup by YRC Freight or its authorized agent, between the dates indicated above.

All shipments are subject to YRC Freight Tariff 100 rules and conditions at www.yrc.com/tariff. See [Tariff 100](#), Item 780, for prohibited and restricted commodities. All cargo tendered is subject to inspection. All shipments will move subject to the NMFC domestic Bill of Lading. Release Value Commodities found with YRC Tariff 301, including household goods, will move at the lowest release value. Based on the choice of rates, Carrier's liability will not exceed \$2.00 per pound, per package - maximum liability is \$20,000 per shipment.

The purchase of excess liability does not affect the valuation of Release Value Commodities.

In the event that the shipment characteristics differ from those listed above, the shipment will be rated based on the CWT charge used to quote the rate above and may be subject to additional charges including Capacity Load, Tariff 100, [Item 390](#). Freight tendered before the quoted pick-up date or after the quote expiration date is subject to an additional penalty. The payer can avoid the penalty by calling the customer service number below before tendering the freight. Charges for services not outlined within this offer will be governed by YRC Freight Tariff 272 and [Tariff 100](#). Any exceptions that YRC Freight may have agreed to in other pricing programs, including Tariff 127, do not apply. No further discounts, incentives, commissions or allowances apply.

Need to change the pick-up date, cancel a pick-up, refund an unused quote or update other information?

Call YRC Customer Service at (800) 610-6500.
